**REPORT**

Manager Dood presented the Lieutenant's report. With an additional officer on in the evenings, our numbers have increased. He noted all Police Officers will be on this weekend for the Gus Macker Tournament.

Manager Dood presented Supervisor Bucholtz's report. Nothing was added.

OIC Nielsen presented his report. Nothing was added.

Manager Dood presented his written report. With the Macker Tournament happening this weekend, he gave a rundown of the parking areas, especially those associated with the

wedding that will be taking place on Saturday evening at Tamarack Place. Manager Dood is putting together a brief that will be posted on the Village Facebook page that states the roads that will be closed, areas for parking and other events that are taking place during the tournament. Manager Dood, along with Fire Chief Carr, are working on hard barricades for the public's safety. Chris Fryover, along with his crew, have volunteered to put together the basketball hoops. At approximately noon on Friday, the hoops will be placed for the tournament. Food trucks will be placed on the Kelsey lot along with a Fire Truck for the kids to visit. We have two 40-yard dumpsters and roll away carts for trash and our DPW will be working all weekend to help where needed. Manager Dood feels everything was well planned out and he stated our community came together to get it done.

The PUD at Tamarack Meadows Resolution #2025-06 that was approved last month at the Village Council meeting, went to the Brownfield Authority and they made the recommendation to the full board for approval. Once it is approved by the board, it will then go to the Planning Commission.

Trustee Leppink has been in contact with a gentleman named Joe Rodriguez from Utah who is the President of the United States Ice Fishing Division. Joe thinks Lakeview Michigan; home of the US Ice Fishing Team, has a nice ring to it. Don't be surprised if you hear a little more about the US Ice Fishing Team coming back to Lakeview. Not the international event, but possible qualifying events.
