Coronavirus Local Fiscal Recover Funds

The American rescue Plan will deliver \$350 billion for eligible state, local, territorial, and Tribal governments to respond to the COVID-19 emergency. The Coronavirus State and Local Fiscal Recovery Funds provide a substantial infusion of resources to help turn the tide on the pandemic. There are restrictions as to how the money can be spent. The money will arrive in two increments. The first installment would be within the next few weeks and the second installment coming in 2022.

Trevino moved and Fryover seconded to approve the application for the Coronavirus Local Fiscal Recovery Fund and the acceptance of those funds when they arrive. Motion carried.

Council Tables

We have reached out to a local furniture maker to see if he would be interested in making tables for our council chamber in the Municipal Complex. He has given us an estimate of \$6,000 to build the tables out of Ash for the chamber. These will be handmade and a unique addition to our chamber from a local pillar of our community. Fryover moved and Saxton seconded to approve the purchase of the tables for our council chamber. Motion carried.

Trevino moved and Behrenwald seconded to adjourn meeting at 7:08 PM. Motion carried.

Respectfully submitted,

Melissa King
Village Clerk
