PUBLIC COMMENTS: Chelsea Sack, 531 S Lincoln – Stated that she has started a Neighbor Watch group and they have concerns with policing in the Village and how ordinances are enforced. They are concerned that the Village Manager may be spread too thin.

Manager Dood stated we would be contacted from Corewell when they know what they are going to do with the property. REPORTS

Lieutenant Russell gave additional information regarding the ERAIL trailer. At this time, we are only committed to house the trailer. There are not a lot of incidents with livestock but there are rules on how to deal with injured animals and laws on how to dispose of these animals.

Supervisor Bucholtz did not have any additions to his report.

OIC Nielsen stated he turned in his first MOR. He was asked about the aeration system. He gave an explanation on what the system does and what needs to be replaced. They have narrowed it down to three new systems that meet requirements.

Manager Dood noted we should have information on the Sparks Grant mid-September. Manager Dood walked the path with the engineer and received guidance. Local individuals have been working on this project and are dedicated to seeing this through. The engineer was surprised with the progress that has been made on the path. Manager Dood is still working on the CSX railroad.

Manager Dood stated the LACF grant application deadline is this Friday. He has assisted with one for the VFW Monument and has been working with Steve Charnley for a grant for tree replacement in our community.

BUSINESS

Airport Courtesy Car – Numerous airports have courtesy cars for pilots who fly in to the community. We recently received a new patrol car and would like to see the old one used as a courtesy car. This car is the Villages property and we would maintain it. If we determine that it is cost prohibitive, we can revisit the idea. Council would like to try this courtesy for a year.

Museum – The Village has been working on how to gift the building the Museum is currently housed in (Village owned) over to the Museum. All irregularities have been corrected to make this exchange possible.

Trustee Trevino moved and Trustee Fryover seconded to move forward with the gifting of the Museum. Motion carried.

Trustee Fryover moved and Trustee Trevino seconded to go into closed session at 7:32 pm per the Open Meetings Act, Section 8(h), to consider material exempt from discussion or disclosure by state or federal statute.
