**RATE ADJUSTMENT** Beginning March 1, 2026, you will notice an increase on your water/sewer bill. This adjustment is done every Fiscal Year to cover rising inflation costs for our infrastructure needs.

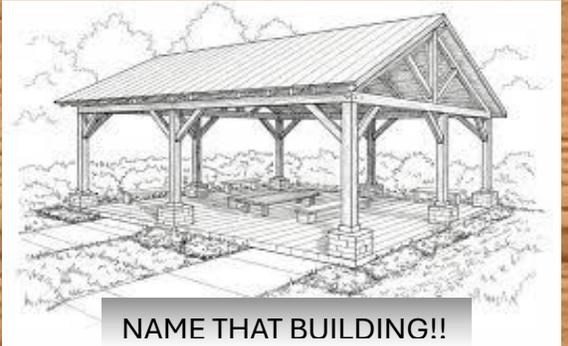

This monthly billing will soon represent the breakdown of where the funds are allocated so you have a better understanding of how these funds are being used to maintain the water/sewer system.

**BE A PART OF CREATING A CLEANER, GREENER LAKEVIEW!**

The Village of Lakeview and Cato Township will hold a Joint clean-up day **Saturday, April 11<sup>th</sup>**, from 8-noon.

Residents bringing materials are asked to have proof of residency to use this service. Examples would be a water bill, tax bill or picture ID with address.

The Lakeview Department of Public Works will be on-site to answer questions regarding items that will be accepted.

**NAME THAT BUILDING!!**

The Village of Lakeview would like your help giving our new pavilion a name. The pavilion located at 420 S. Lincoln Ave will provide a space for community events while preserving this historic location.

Using your creativity, help us to determine what name should reflect the history and the future of this area. Submit your suggestion to [clerk@villageoflakeview.org](mailto:clerk@villageoflakeview.org) or visit Village Hall during working hours to place your idea. All entries need to reach us by March 4th. Village Council will review all suggestions and pick the top three that best suit our community space. These three picks will be announced at the March 10<sup>th</sup> Council meeting. The top picks will be available on our social media pages and printed in the Lakeview Area News. Simply submit your top choice in the same fashion described above by April 8<sup>th</sup> and the name will be revealed at the April 14<sup>th</sup> Council meeting.

Municipal websites serve a unique purpose –they provide critical information on municipal services and laws that affect the local population together with ongoing updates on projects and events in the community.

Having a seamless experience for citizens allows them to find what they need quickly and effortlessly. Visit our website to view ordinances, zoning, state, federal and local resources and all other services Lakeview has to offer.

**Local government is necessary.**

Local citizens need a government who understands and acts in their interests. The governing body for the Village of Lakeview is the Village Council. The Council is composed of six Trustees and the Village President, elected by voters of the Village.

Emily Griffith, Village President; Chris Fryover, Trustee; Kate Behrenwald, Trustee; Dominic Trevino, Trustee; Chad Carlson, Trustee; Lane Leppink, Trustee; Jyll Mitchell, Trustee.

The Village staff would like to thank the council members for their service and continued dedication to the community.
